## **NEW KETCHIKAN PUBLIC LIBRARY PROJECT CONCEPT STUDY WORKSHOP**

**Wednesday, May 26, 2010  
5:30 p.m., Ted Ferry Civic Center, Naha Bay Room**

The Foraker Group, assisted by Bettisworth North Architects and local architect Tim Whiteley, will explore our expectations for:

- new library spaces
- design opportunities for the Copper Ridge Lane location
- what the new library wants to look like in our community

The public is invited to participate in this workshop.

Additionally, the operational and relationship functions will be discussed with the Library Staff on May 27, 2010.

This information will be used to develop very preliminary floor plans and site plans that will be the basis for formulating a more detailed construction cost estimate.
